VOL. 13 NO. 1 WEDNESDAY, JAN. 5, 1972

10¢ BY CARRIER

## Jasper Auto Parts matter of concern to Council

The matter of Jasper Auto Parts, which for many years has been cropping up on St. Albert Town Council agendas, made one of its regular appearances last night. This time it was Councillor Bob Hudson who raised the matter.

"It seems our friends are building wire fences", he said, adding that the construction of the fence "seems like an indication he does not intend to clean up his premises". Mr. Hudson said "The man is flouting the town", and went on to suggest "we take him back to court".

Mayor Gibbon noted that the matter is in the hands of the town's legal counsel and expressed the hope that "on the next go-round in court we hope to have the fences torn down and the premises cleaned up".

In other council business Mr. Hudson referred to a recent broadcast in which the Mayor of Edmonton was quoted as being in favor of annexation as recommended in the Hanson report. Mr. Hudson noted the province has a new government now and his motion that the town write a letter to Premier Peter Lougheed, outlining its position with regards to annexation to Edmonton was carried. A census taken in the town last year showed 73% of those polled to be opposed to annexation.

Mayor Gibbon told council he was asked by Councillor Bakker, who left the meeting early, a victim of the flu bug, to move that No Smoking signs be erected in all outdoor rink skating shacks immediately. Council agreed that smoking in the shacks could cause a serious fire and passed the motion. Rink attendants will enforce the regulation.

Councillor Rod Thronson asked if it was correct that Town Hall is charging residents who wish to purchase copies of bylaws, one dollar per page. He was told the town has a bylaw which covers this, based on the municipal act. "This seems terrible, that a person has to pay that kind of money just to find out what our regulations are", he said. It was pointed out that anyone can ask to be shown any town bylaw and read same in the town hall. Mr. Thronson's motion that the dollar per page fee be reviewed in committee was carried.

Snow was a concern to at least two councillors. Mr. Kambourff raised the matter of deep runs on Gordon Crescent, where, he said, "some cars are going to end up in someone's living room" as well as the four foot high bank of snow, put there by the town

snow plow, which is blocking off access to the Grandin slough. Mr. Kambourff told council that several residents went through a lot of trouble clearing off the ice on the slough for recreational purposes and "now they can't get at it".

Councillor deBruin expressed his concern over the 4 ft. high snow piles at many intersections, such as Hebert and the highway, "you can't see oncoming traffic and someone had better knock the snow down", he said.

Secretary treasurer Dan O'Connell assured the councillors that the snow removal program was being carried out according to priorities. "We will get to it", he said.

## AARN meeting to deal with skills

The next meeting of the St. Albert Chapter of the Alberta Association of Registered Nurses will be held on Wednesday, January 12th at 6:00 p.m., at the Purple Dede. Following a smorgasbord supper, the evening will be devoted to a simulation on decision making and problem solving in the community.

Bearing in mind the interest of the St. Albert nurses in continuing education and the decision making skills required in the many meetings nurses attend - whether at work or in the community - the executive decided that it would be appropriate to offer this program.

This simulation will be conducted by Bernie Bryden, a graduate student at the University of Alberta in the M.A. Community Development Program. He is doing this in connection with a research project into citizen involvement in community affairs.

A simulation is a novel approach to understanding the community and the dynamics of the community. Its purpose is to help citizens utilize their power more effectively. It deals with decision making and problem analysis. It dramatizes the various forces at work in a community or organization and helps the individual understand what's going on. It also shows him how he can contribute to the development of a healthy community organization.

For further information about this program, please contact Rosemary Michie - at 599-7812.

## Lions band expands one step further

The St. Albert Lions Community Band announces it has obtained the services of Jim Humphries for the remainder of the 1971-72 band season. Mr. Humphries, who is presently completing his masters degree in music education at the University of Alberta, will be assisting the present director of the band, Bob Heurman in providing musical instruction for any adults wishing to learn band instruments.

Instruction takes place at Father Jan School on Tuesdays at 7 p.m. Any High School students or adults who are interested in obtaining further information about the program are asked to contact John Kaminski at 599-6178 between the hours of 9:00 and 5:30 p.m.

## AROUND TOWN

St. Albert Chamber of Commerce "Citizen of the Year" Banquet & Dance will be held on Saturday, January 15.

The paper bin will be at the RC church again from January 7 - 10. Please drop your papers in the bin, help stamp out pollution and support the girl guides in their many projects.

A film, titled Early Recognition of Learning Disabilities, will be shown at the Jan. 24 meeting of Sturgeon-St. Albert A.C.L.D. to be held at 7:30 p.m., in the music room of Leo Nickerson school.

people are very careful how they use their snow vehicles, it is good recreation", he commented. He agreed with Mr. de Bruin that there is not too much daylight in this part of the country during winter. "This would really cut down on these people's enjoyment".

It was noted that the Police Commission is planning to meet with representatives from the local snow vehicle club in the near future. In the meantime, the RCMP police have stepped up their snow vehicle patrol and the bylaw is being enforced.

meeting of the police board by a vote of 2-1. He said the local police do accept the fact that the town does have a snow vehicle problem. He added that many of the offenders are from Edmonton.

Councillor Kambourff said he would be very much opposed the amending the present bylaw. "Our police can't enforce the bylaw we have now; why go to the trouble of amending it, they won't be able to enforce that, either", he said.

Councillor Frank Luky also was opposed. "A lot of

## Bus company manager says holiday season a "real headache"

## Town Council defeats snow vehicles ban

St. Albert town council, meeting in regular session last night, discussed in great detail a recommendation by the Police Commission which, had it been passed, would have limited the operation of snow vehicles to the day light hours. Council voted to uphold the present bylaw which allows for the operation of snow vehicles until 11 p.m. Councillor John Bakker casted the only vote in favor of the daylight only amendment.

Councillor John de Bruin said the amendment, as recommended by the Police Commission would amount to "persecution of one segment of society". He added: "If it's the noise we're worried about, let's stop all noise, including motorboats lawn mowers and scooters. Why single out the snow machine?"

Mayor Ray Gibbon said he, too, would vote against the recommendation from the Police Commission. "I feel our present bylaw is a good bylaw; it allows the people enough freedom to enjoy this activity, while, on the other hand, if adhered to, should not cause any excessive inconvenience to the rest of the population". The mayor added that he felt the RCMP police are doing an excellent job controlling the situation. "But", he added, "they themselves have only one snow vehicle and can't be everywhere at once".

Councillor Bob Hudson, a member of the Police Commission, also spoke against the recommendation, which was passed at the Dec. 22

Several complaints have been received at the Gazette office regarding the overcrowded buses during the Christmas period. Some callers complained of being left at the Ball Avenue-Grandin Road stop because the bus was full by the time it got there. One young girl who lives on the highway told the Gazette: "When there is lots of people going into the city, we here don't stand a chance of getting on the bus". She said she missed several hours work because of this.

People were also being left behind at Westmont returning to St. Albert, the Gazette has learned.

The Gazette contacted Mr. Grimstead of Western Bus Lines and asked for his comments on this situation. He explained that by law the maximum load allowed is 30 people sitting and 25 standing. "When we have reached this, we are full and there is not much we can do about that", he said.

Mr. Grimstead said that while the school buses his company operates were little because of the school vacation, it is illegal to use these buses for transit work and they could therefore not be used. "It is only in the case of a real emergency that we use the yellow buses for regular passenger service", he

Wee Steven Fairbanks (to be called Stevie) is seen with his mother Diane Hammond, Stevie has two firsts to his credit. He was Sturgeon General Hospital's New Year baby being the first to be born there in 1972. Stevie is also the first child of Mr. and Mrs. Thomas Hammond of 12747 - 114 Street, Edmonton. Steven arrived at 6:10 p.m., January 1.

# Letters to the Editor

## Likes hospital

Dear Sir:

Since joining the Hospital Board as a trustee this last October I have found our hospital to be a good example of what a hospital in a community such as ours should be. The moral and friendliness of the staff in patient areas is excellent and in my opinion, as a registered nurse, second to none in the Edmonton area. It is in short your "Friendly Neighbourhood Hospital".

As one of the Board Members representing the St. Albert residents of the Hospital District, I shall strive to help the Board develop the facilities to meet the needs of the community in as many health fields as feasible from a small local hospital, and in conjunction with the other available medical services both in St. Albert and Edmonton.

The hospital appears to be well designed, and the people of the district will always be grateful for the development of such a sound facility where the molding together of the various disciplines and of their personnel, provide a comprehensive and effective service to our residents.

This Christmas saw a

wonderful effort on the part of the community to see that the patients who were unfortunate enough to be hospitalized at this time, were not forgotten and I personally wish to thank all those who

## Caroling appreciated

The Editor:

I would like to share with your readers, if I may a happening that was quite unique as far as we are concerned.

On Christmas Eve when "all was calm, and all was bright" with a cool 30 below zero our doorbell rang. Three young ladies appeared and sang some Christmas carols. They told me they like to do this, and as soon as they had finished they left quickly to go to the next house.

Previously a group of young people went around the crescent caroling.

To all those young people I say thanks for a job well done, you brought back memories. With kids like this we feel somehow the human race can't be all

contributed in however large or small a way to giving the patients such a good Christmas.

A Happy New Year to all and Good Health.

Angela Sountag

that bad.

Peter L. Bowen,  
35 Gladstone Cres.

Father, with his son's report card in hand: "Son, it's too bad they don't give a grade for courage. You would get an A for bringing this report card home."

## The Associate Medical Clinic St. Albert

is pleased to announce that

**Dr. D. Sereda, G.P.**

has joined our Medical Staff as of January 3, 1972.

## DICK'S Plumbing & Heating Co. Ltd.

## Real Headache

CONTINUED FROM PAGE 1  
It is taken to the garage and traded for a warm bus. "They have 400 buses, we can't match that", he said.

Mr. Grimstead said he does plan to expand the service to St. Albert but is not at liberty to say when this will happen.

He said he has not seen any great demand for extra service. "In fact, I have gone out on occasion and rented extra buses during

what we thought would be a peak period, and then never used them. You can't stay in business long doing that sort of thing".

He added that until last year the St. Albert run was no great money maker for his company. "Now there is an upward trend and if the overloads are consistent, we will increase the service", he said.

He said his office, too, receives calls from late passengers when the buses are late or they are left behind at the Depot. "We tell our drivers to leave space for about 15 passengers to be picked up along the way; better the people should wait for the next bus in the shelter of the downtown depot than to leave them standing on colliery street corners", he said.

His major headache is getting out of the downtown area during the rush hour, Mr. Grimstead indicated. "It sometimes takes 30 minutes to get from the bus depot to the Royal Alex, but there is nothing we can do about that, either", he said. "But it sure makes people mad when they've put in a full day's work and then are held up like that".

Mr. Grimstead said bus service this week is back to normal and he foresees no great difficulty... until the next school holidays.

## Canfarm meeting

Canfarm, the computerized accounting system, will be the subject of a meeting to be held at the M. D. building in Morinville at 1:00 p.m. on January 17th (Monday).

Information on the system and services available will be commented on. Ad-

ditionally, participants will be taught the basics whereby if they choose to use Canfarm, then they can go into it immediately.

# Seminar to discuss learning disabilities

"Understanding children with learning disabilities," a lecture and discussion seminar, will be offered Tuesday evenings at Grant McEwan Community College starting January 11.

Announcement of this course, for parents and teachers, was made by Dennis Haughey, coordinator of extension programs at McEwan College, to Sturgeon-St. Albert Association for Children with Learning Disabilities.

Betty Finch, reading specialist with Edmonton public

school board education clinic, will conduct the 10-week series. Mrs. Finch has spent the past eight years working with children with learning disabilities. During the seminar, she will make particular effort to help each member with his child's problem. Books on child development and learning disabilities will be available on loan.

Registration will be accepted by mail or by telephone (425-8810, extension 245). Registration will also be accepted at the first class session, January 11. The course will be held from 7 till 9 p.m., at the Cronside Campus, 8020-118 Avenue.

The seminar will proceed through three main

topics: child growth and development, types of learning problems and help for the child.

The first topic will deal with physical growth, auditory and visual perception, motor perception, verbal and non-verbal language,

emotional, intellectual and social growth.

Under "Types of Learning Problems," Mrs. Finch will point out the theories that late or altered development in the seven areas listed above might affect a child's learning. She will

explain the problems in perception, association, memory and conceptualization which might lead to aphasia (difficulty in expression and understanding), dyslexia (difficulty in reading), dysgraphia (difficulty in writing), dyscalculia (difficulty

in arithmetic).

She will also include the problems of hyperactivity (excessive restlessness) and distractibility (attention easily turned).

Under the third topic, "Help for the Child," these sources will be explored: health, education, behavior management and socialization.

## Mrs. Delia Lamoureux passes at age 86

A pioneer resident of the Lamoureux district, Mrs. Delia Lamoureux, passed away Dec. 10 after a lengthy illness.

Funeral services were held in the Lamoureux church with Rev. Raab and Rev. Irwin officiating.

Palbearers were her grandsons John, Arthur, Jerome, Maxime and Guy Lamoureux and Norman McPherson, David, Conrad

and James Lamoureux and Danny McPherson participated in the service.

Organist and soloist were Mrs. Marcelle Baker and Lucien Lorseau. Burial was in the family plot in Lamoureux cemetery.

The late Mrs. Lamoureux and her twin sister, the late Mrs. Aurelia Desrosiers, were born four miles north of the North Saskatchewan river, August 22, 1885, during the Riel Rebellion. To the pioneers of that day they were known as "The Rebellion Twins."

Mrs. Lamoureux was active in church and community work throughout her life. She was predeceased by her husband Arthur in 1955.

Mrs. Lamoureux leaves to mourn her loss seven sons: Lawrence, Victoria, B.C.; Francois, Gibson, B.C.; Herve, Roland and Gus Lamoureux; Armand and Hubert, Edmonton; four daughters: Miss Blanche, Lamoureux; Mrs. Rose Jenkins, Washington, U.S.A.; Mrs. Hermine Houghton, Medley; Mrs. Rita McPherson.

## ST. ALBERT RECREATION

Announcements about recreation activities being carried on in St. Albert appear in this column each week through the courtesy of the Editor. It is, however, impossible to refer to them each week.

Most programmes are continuing after the Christmas holidays and some new ones are being initiated. New comers especially are reminded that information can be obtained by phoning the Department of Recreation at 599-6601.

**GOLF:**  
The date and location of the annual learn-to-golf school will be announced later. For the last few years this has been timed so that there has always been the possibility of going straight from "school to green"; so far the timing has been reasonably good!

**Y NEIGHBOURS:**  
The next 12-week session of the Y Neighbours, sponsored by the YWCA starts next Monday, January 10 in the Community Hall at 915 a.m., and registration will take place at that time.

The two-hour weekly programme is mainly for mothers with pre-schoolers though all ladies will be welcome, whether they have children or not. It will be held each Monday morning and provides an excellent opportunity to get out and meet people, enjoy an hour's keep fit, a chat over a cup of coffee and a demonstration, talk or crafts. All this for the ladies upstairs in the Community Hall on Peterson Street while the pre-schoolers are looked after downstairs. Babies should be brought in car beds or collapsible cribs.

The cost will be \$10 for 12 weeks with an additional \$2.00 for each child to cover the cost of crafts, juice and cookies. Further information may be obtained by phoning "Y" at 422-6176 extension 25.

**DRAMA:**  
Additions for the play "See How They Run" by Philip King will be held in the meeting room at the town library at 2 p.m., on Sunday next, January 9.

The play will go on early in March and is being produced by our local drama group, The St. Albert-on-Sturgeon Players. The players are very pleased that Ken Graham has agreed to direct. Mr. Graham is assistant supervisor of drama for the province and has wide experience in directing and in all aspects of drama.

Anyone interested in taking part in "See How They Run" or in becoming involved with the production in any capacity should attend on Sunday.

Further information can be obtained by phoning - 599-8704.

**LADIES SHAPE-UP:**  
The 12-week ladies shape up class, sponsored by the YWCA will start on Monday, January 10 in Father Jan School, Mission Avenue.

Each Monday at 8 p.m., there will be an hour's keep fit, followed by a half hour of varied activities. The cost is \$9.00 and registrations will be taken on the first night of the course.

**BRIDGE:**  
Phone Bob Brooks at 599-3419 if you are interested in the formation of a local duplicate bridge club or in taking bridge lessons.

**ACTIVITY NIGHT:**  
Activity Night in St. George Simpson School will resume on Tuesday, January 11. The gymnasiums are open from 7:30 to 10 p.m. each Tuesday for badminton, basketball, volleyball or jogging. There is no fee involved and no age limit although young people under the age of 15 should be accompanied by an adult.

**SKATING:**  
Classes in learn-to-skate and power skating and figure skating classes, sponsored by the St. Albert Figure Skating Club, will start during the week beginning January 10.

Registrations for learn-to-skate and power skating classes were scheduled to be taken at the arena on Wednesday, January 5. They will also be accepted on Thursday, January 6 between 4 and 6 p.m., along with those for figure skating and dance lessons.

Those whose names are on waiting lists must register.

Information about classes can be obtained by phoning Mrs. G. Lotook at 599-7688 (Learn-To-Skate); Mrs. R. Young at 599-6794 (Power Skating); and Mrs. V. Bradley at 599-8733 (Figure Skating).

## RCMP to use Zenith system

In order to improve police service to the public, the RCMP has arranged through AGT to use the Zenith telephone system. Commencing Jan. 1, 1972 the system will serve approximately 85% of the area of RCMP jurisdiction in Alberta.

The system ensures that an individual telephoning the RCMP will be able to contact a member of the Force direct 24 hours a day. If he cannot reach a member of the local detachment by phone he dials "0" operator and asks for telephone number Zenith 50000. He will then be connected to the nearest 24 hour RCMP communication point where his enquiry will be furthered either by providing him with the required information or directing the nearest patrol car to the scene.

The telephone number Zenith 50000 is intended not only as an emergency number

but also to assist anyone wishing to talk to the RCMP about any police business when the local detachment cannot be contacted. Long distance charges will be accepted by the Force for any calls to a detachment from within the detachment area or on the Zenith 50000 number.

In due time the various Telephone Directories in the Province will be amended to highlight this system.

Sergeant Brown of the St. Albert detachment said St. Albert residents still dial 599-7721 to contact the police; the Zenith 50000 would be used by residents in the M. D.

In Thailand a Buddhist monk has few possessions beyond his alms bowl, a sling to carry it, and a single set of saffron robes marked with a circle "not larger than the pupil of the eye of a peacock," points out the National Geographic Society's new book, "Great Religions of the World."

140th AVENUE  
ST. ALBERT TRAIL

# st. albert & sturgeon gazette **Sports**

The grade nine girls from St. Albert High School captured the volleyball championship of the St. Albert Junior High League with a play-off win over St. George Simpson on Tuesday, December 13. The trophy donated by St. Albert Local of the Alberta Teachers Association was presented to Captain Colette Kambeltz by Mrs. A. Dixon, vice-president of the St. Albert Local of the A.T.A. The team members standing from left to right are: Sandy Willas, Maureen Harris, Cathy Holden, Shirley Vollmer, Debbie Small, Rhea Power and the coach, Mr. Teiller. Kneeling are: Colette Kambeltz, Donna-Mae Sander, Ruth Boris, Teresa Twarek and Paulette Poulin. Missing from the picture is Wendy Sopchuk.

High scoring Doug Ferguson (9) was left several times in this position open but no puck, although he did manage to net one goal in the Barons thrashing Monday night. . . .

## Barons bombed by Leduc

The St. Albert Sportshop Barons were bombed 5-3 by Leduc juveniles on Monday night here in St. Albert before 150 fans.

Leduc led by G. Banaraz's two goal performance, took an early lead and built it up to a 4-0 margin on goals by D. Huebert and B. Krause. St. Albert made a quick rally in the second period and narrowed the score to 4-3, but couldn't pot the tying goal.

Leduc rounded off the scoring in the third period with an insurance marker by B. Banaraz at 18:22. St. Albert's constly penalties, lack of backchecking and positional play cost them

a very precious 2 points. Although still in first place, St. Albert could be easily overtaken by second place Leduc if their defensive play doesn't vastly improve.

## Girls Bonspiel draws 42 rinks

The St. Albert Ladies Curling Club were in charge of the annual Girls Northern Alberta Christmas Bonspiel held this year in the St. Albert rink on Dec. 27, 28 and 29th.

Forty two teams participated in the event, including five St. Albert rinks, and eleven clubs were represented. The team travelling the farthest was the Sedgewick

foursome, skipped by Pat Rose, daughter of Normie Rose.

The bonspiel featured three main events, Safeway A, B, & C, and two novice events.

President Shirley Fisher assisted by Salley Oakes and other members of the ladies' club were in charge of the well organized bonspiel.

SAFEWAY "B" NORTHERN ALBERTA GIRLS ASSOCIATION TROPHY - PICTURED L to R: Andrea Campbell, Clare Rowbottom, Skip Janet Berzinski and Jacque Tousignant.

SAFEWAY "C" L to R: Robyn Mandryk, Leslie Weeks, Skip Marg Robertson and Em Liston.

A rink from the Crestwood Curling Club in Edmonton took top honours at the annual Girls Christmas Bonspiel, held this year in St. Albert. From left are Mary Anne Ross, lead; Donna Lakusta, 2nd; Shelia Butt and skip Wendy Kruger. The foursome won the Safeway A event trophy.

## Comets lose 5 - 3

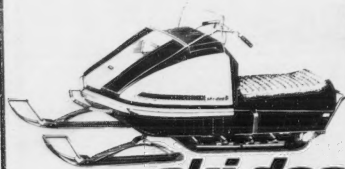

St. Albert Comets dropped a 5-3 decision to Leduc Oilers last Sunday afternoon in a game played at Leduc. Oilers, led by Ron Kienhart with a "Hot Trick" led by a 4-0 score until the 19:14 mark of the second period when Al LaPlante ripped home St. Albert's first goal.

At the 14 minute mark of the third period Oilers increased their lead to 5-1. Two late third period goals by Joe Cassidy and Doug Bell wound up the game. Next home game for the Comets will be on Friday January 7th at 8 p.m., when they tangle with Winterburn.

## "St. Albert one step away from being great" - Westlock coach

St. Albert Fire Chiefs, the town's representative bantam team in the Edmonton Rural Hockey League, were busy during the holidays, playing five games.

ST. ALBERT  
SPORTSHOP LTD.  
APPOINTMENT

LARRY MITCHELL

We are pleased to announce the addition to our staff of Larry Mitchell. Born and raised in the Edmonton area Larry has resided in St. Albert for the past 12 years. He is well known in sporting circles, having participated on various baseball, football and hockey teams. His interests in hunting and fishing are also very keen. His last position as Sports Editor with the Gazette brought him in close contact with the Sturgeon sporting community. Larry invites his many friends to drop in and discuss their sporting requirements with him.

In league play they dropped three and ran their record to one win and 12 losses. In exhibition play, they won one and lost one.

League-leading Westlock knocked off the Chiefs 5-0 in the arena, but the coaches were pleased with the result because the club was reduced to 11 players, including a pee-wee and bantam borrowed from another club. In the game, the Chiefs were down only 1-0 after two periods, but sheer weight of numbers caught up with them in the third and Westlock scored four times.

In a return match in Westlock, the Chiefs lost 4-1 in what was perhaps their best performance of the season. The Chiefs led 1-0 in the first period when John Wells picked up Chris Hoffart's pass and ripped in a blazing wristshot at 8:02. Westlock, which has lost only one game this year, tied it four minutes later on a breakaway.

They increased their lead to 3-1 in an evenly-played second period and sewed it up in the third with two unanswered goals.

However, St. Albert's showing brought this comment from Westlock's coach "St. Albert is about as steep away from being a great team. I think that one of these nights they'll trounce any team in the league."

High praise indeed for a team which has been plagued by injuries and flu and which has lost two of its top players to the midgets.

In a tussle with Fort Saskatchewan, the Chiefs lost 5-3 after being down 4-1 after 20 minutes. Hoffart opened the

St. Albert scoring with Sandy Millroy and Lloyd Olson scoring three-period goals, both with assists going to Greg Thibert.

In exhibition play, the Chiefs took on Safeway, the top bantam team in the house league and thrashed them 8-0 despite a great goalkeeping performance by Safeway's Steve Foreman. Olson scored three times for the Chiefs with Millroy, Hoffart, Tom Parayko, Lori Loshak and Rod Gouchey getting one apiece.

In a game against Legal midgets, the Chiefs lost 3-3 in a game in which the score wasn't indicative of

the play. Legal scored four times on shots from behind the net. Dennis Letourneau of Legal played in the Chiefs' goal and while he was outstanding on shots from in front, he was bothered by those from behind. It was his first game of the year in goal.

Additionally, St. Albert had only one line change which was reduced when Bob Langre was hurt midway through the second period. Parayko, Wells and Loshak scored the Chiefs' goals.

One facet of the play in recent games which is noteworthy is that dirty hockey has been eliminated. All five games were marked by hard, clean hockey.

## Edmonton Central Hockey League Standings

as of December 21, 1971.

## Legal Mike A's Shut out Morinville

Legal mite "As," under the coaching of Maurice Pelletier, upset Morinville 14-0 on Dec. 18 in Morinville.

Patrick Quaghebeur scored six goals, Walter Flzer added three, Danny Pelletier and Donald Chamber-

lain scored twice each, and Allen Geria had one goal. Ricky Roulistoun was goal tender.

Legal are looking for exhibition games and any interested parties are asked to call Maurice Pelletier at 598-3774.

## Trophies awarded at Saints Wind-up

The St. Albert Willowbrook Saints baseball club held a "windup" evening December 4th, when a number of trophies were presented.

Glen Winder received the trophy for most valuable player, and the trophy for the player who contributed the most, but received the least recognition was presented to Larry Wolbeck.

Mrs. Doady Bailey, named "Most loyal fan" and Mrs. Joanne Reinbold "least loyal fan", and the club's official scorekeeper, Mrs. Sherry Martineau were other recipients of trophies from the club.

Outstanding services awards went to Rene Poullet, trainer and equipment manager; Rudy Scheibelhofer, sponsor and manager; Arnold Bailey, assistant coach, and to coach Ed. Howorko.

The Lions Club and Bruden Inn trophy, presented annually to the club winning the St. Albert baseball tournament in June, was accepted by Ed. Howorko, on behalf of the Saints.

The club decided to hold a "Mr. and Mrs. Sportsmans

Dinner" again this year, in May. The event was highly successful last year.

## AROUND TOWN

A large number of friends and relatives gathered at the St. Albert community hall recently on the occasion of the Silver Wedding Anniversary of Mr. and Mrs. Louis Verlinde.

## LEGAL LOCALS

Expressions of sympathy are extended to Mr. Joseph Paquin who is mourning the loss of his mother Mrs. Anna Paquin who passed away on Dec. 25th, at the age of 81 years. She leaves to mourn five sons and a number of grandchildren and great grandchildren.

Mrs. Wilfred Barry returned Christmas Eve from Vancouver and Victoria after attending a funeral in the family.

Mrs. Barry said the snow was deeper in Vancouver when she arrived than it was here. During her ten days

at the coast Mrs. Barry visited a number of relatives and renewed old acquaintances.

Mr. and Mrs. Bill Golden returned Sunday after spending the festive holidays in Winnipeg with their families.

Santa Claus was extremely good again this year. He made several young girls very happy when they received a "sparkler" for Christmas. Congratulations to Norman Rivard and Lorraine Brisson; Gaston Parent and Irene Tieulle; and Kenneth Hunting and Deborah St. Jean.

The beautifully decorated hall gave a festive air to ring out the old and bring in the New Year at the Frolic, held in Legal last Friday. The Knights of Columbus, sponsors of the celebration for the past seven years, were pleased with the successful evening. Louis Leavallier with his helpers are to be commended for the colorful decorations. Every one had a very enjoyable evening.

Mr. and Mrs. Wilfred Larose have moved into their new home recently.

Lucien Larose and Jean-Charles Mahe travelled to Gravelbourg, Sask., during the Christmas holidays.

Paul Coulombe and Mr. and Mrs. Jos. Manx and daughter Kelly from Vancouver, Mr. and Mrs. Rudy Stang from Dawson Creek and Mr. and Mrs. Guy Coulombe from Evansburg were visiting their mother, Mrs. Beatrice Carriere, during the Christmas season.

On Jan. 7 at 8:00 p.m., the film "The Singing Nun" with Debbie Reynolds, family entertainment will be shown at the Legal Com. Hall. The proceeds will be to help pay for renovations that have been made recently.

Some 40 members of Father Tellier's family spent Christmas with him and Mr. and Mrs. George Tellier at the rectory.

Fourteen Tweenies became new Brownies when the Legal Brownies held an enrolment ceremony recently. Yvonne and Yvette Pelletier received their Golden Bar

and Marie Theberge was presented with her cook badge. Following the ceremony the 2nd Legal pack held a Christmas party which was attended by the commissioner, Mrs. Jeanne Maurier and the girls' mothers.

Until further notice, the 2nd Legal Brownies will hold their meetings after school. Anyone wanting a Brownie suit, or tie, hat or belt may contact Mrs. Bruce at 36/2.

The Mite A teams held a tournament last Thursday in the Legal arena with four teams competing in a round robin.

Legal won all three games winning the tournament and trophy. Vimy placed second with two wins for four points followed by St. Edmunds, from Edmonton, with two points. The Clyde team ended up in the cellar with no points.

## discrimination

Prejudice and unfair discrimination hurts everybody

The social and economic costs are incalculable. Prejudice wastes mankind's most precious resource: the chance for self fulfillment and achievement with which every human is born. Discrimination robs the human race.

This Alberta Human Rights Branch of the Department of Labour administers the Human Rights Act. This Act prohibits discrimination because of color, race, religion, sex, age, or ancestry in respect to accommodation, services, and employment.

Anyone violating these provisions is prohibited from doing so. A complaint will be investigated with a view to achieving human dignity.

For full information on this important Act write to this address:

Human Rights Branch,  
Alberta Department of Labour,  
1007 I.B.M. Building, 10808 - 99th Avenue, Edmonton  
Telephone: 229-3454 229-3370

## Assistance for forming snowmobile clubs available

Forming a snowmobile club is not an easy task, and don't let anyone tell you otherwise. But, if you have the enthusiasm and a compelling interest in snowmobiling, the Alberta Snowmobile Association has people with the experience who will eagerly assist you in the formation of a club in your area. All you have to do is write the Association at P.O. Box 605, Edmonton.

There are approximately 100 snowmobile clubs in Alberta. Some have only a handful of members, others have memberships in the hundreds. Some are country folk, some are city dwellers. The Alberta Snowmobile Association is the first Provincial organization to assist snowmobilers in form-

ing a club—may we help you?

Alberta Snowmobile Association is a non-profit organization registered under the Societies Act of Alberta in February, 1971, to promote the betterment of snowmobiling. The A.S.A. is governed by 20 Board of Directors elected by all the snowmobile clubs in Alberta at an Annual General Meeting in April of each year.

Four major areas of concern to the snowmobiler are programmed by the A.S.A.:

1. Operator - Instructor training programs.
2. Snowmobile Facilities and Trail Development.
3. Snowmobile Legislation - local, Provincial and Federal.
4. "The Alberta Snowmobiler" magazine.

Many other snowmobiling programs are constantly being developed. The proposed snowmobiling holiday to Switzerland at substantially reduced rates to A.S.A. members is but one example.

The value of the A.S.A. can be readily realized if one has been watching television, reading the paper, etc. on snowmobiling conditions in Eastern Canada.

Many times the question is asked—why should I join a club or get involved? Answer "strength in numbers" is there any doubt in anyone's mind as to what could have happened had not the Alberta Fish and Game Association exposed the recent oil spill condition in the Whitecourt, Fox Creek, Fort McMurray areas.

If you like snowmobiling, then membership in a local snowmobile club or the Alberta Snowmobile Association is just for you.

Snowmobiling is Canada's most exciting winter sport and provides fun for the whole family. Membership in your local club and the Alberta Snowmobile Association will bring you into contact with many other snowmobiling families and help you enjoy the sport even more.

Safety Programs, Snowmobile Legislation, Three-Level Government Liaison, Trail and Area Developments and Publications.

For further information about the Alberta Snowmobile Association and the Alberta Snowmobiler - contact Carl Royan, 256-3321 or 424-6276.

## Fire men get three calls

St. Albert fire department had a hectic Christmas day; the men were called upon three times. In the wee hours of Christmas morning the department gave priority attention to a resident, later in the day there was a chimney fire in the town and the men were called out into the country for a small barn

By Rose Martel

It seems fitting to devote this, our first editorial column in the new year, to our young people, who deserve much credit and support. During the past year the news media gave much publicity to the actions of those young individuals who found themselves afloat of the law either through drug abuse, violence or through their participation in demonstrations and school walk-outs.

Very little space or praise is ever given to those students who are the victims of teachers strikes or the concerned young citizens who give so much of their time to help others.

There are many serious minded individuals in Junior and senior high schools, colleges and universities, who, by putting in a good days work at school, are a credit to their community. A good example of that in our own community are the members of the students union. They hold well run meetings on their own time, usually during the noon break, organize their programs with a definite budget in mind, and pay their own expenses as they go. If there is a shortage of money for a certain project, a candy sale or hotdog lunch is held and the ledgers are kept in the black.

Before Christmas, the Chimo Carnival on Ice was held. This program, sponsored by the sports committee of Vanier senior high, was a huge success for all pupils of Thibault schools in Morinville. The community owned arena was used for the day, and every child from grade 1 - 12 participated,

fire. There was no serious damage, other than interrupted Christmas dinners for the men on duty.

Fire chief Fred Tetarenko said last week there were small fires in a car and truck, starting by shorts in the wiring. All was quiet over New Year's.

according to his or her talents. The teachers are to be commended for their active participation in managing the young organizers to shoulder their responsibilities and "do their thing."

AS I SEE IT: The majority of young people today have a wealth of talent and ideas. They have much to offer their community. But, they have to have leaders or teachers who can inspire and

guide them, and who can, and this is most important, show their appreciation.

In our district there are hundreds of youngsters who only need the opportunity to show the rest of us what they can do. If we have leaders in our community, let them prove their faith in our youth, not with a dollar bill, but by their interest and participation and, above all, active support of all our youth's efforts in 1972.

## CANADA for CANADIANS

### WHY SUPPORT THE SOCIAL CREDIT PARTY OF CANADA?

THE SOCIAL CREDIT PARTY OF CANADA is a national political party which NOW seeks the support of all Canadians who believe strongly in personal freedom and individual enterprise.

While others propose a cure by treating the symptoms, SOCIAL CREDIT realizes that there is a BASIC CAUSE of our problems, and has a definite SOLUTION by treating that BASIC CAUSE.

The basic problem is money! To be more exact, the problem hinges on the creation of the MONEY SUPPLY in Canada. Under our present Financial System, money comes into existence mainly as DEBT. This is wrong, for we cannot be truly free if most of us are obligated to paying off debts during the greater part of our lives.

REAL CAOUCETTE, M.P. NATIONAL LEADER

### WHAT WILL THE SOCIAL CREDIT PARTY OF CANADA DO?

1. REFORM THE FINANCIAL AND ECONOMIC SYSTEM.

2. CREATE NEW MONEY WITHOUT DEBT AND USE IT TO:

a) REDUCE TAXES.  
b) LOWER (OR AT LEAST KEEP LEVEL) CONSUMER PRICES.

c) GUARANTEE A MINIMUM INCOME FOR ALL CANADIANS. YES THIS IS THE NATIONAL DIVIDEND WHICH SOCIAL CREDITERS HAVE ALWAYS TALKED ABOUT!

3. ELIMINATE PRESENT GOVERNMENT POLICIES WHICH ARE INFLATIONARY AND DICTATORIAL.

4. INTRODUCE POLICIES WHICH WILL ENSURE ECONOMIC JUSTICE FOR ALL CANADIANS, AND CREATE A TRULY JUST SOCIETY.

THE SOCIAL CREDIT PARTY OF CANADA would like to tell you more about their philosophy, policies and proposals. Please clip the coupon below, enclosing 25¢ (coin or stamps) to cover handling charges, and mail to our EDMONTON address.

## HELP WANTED

Town of St. Albert requires enumerators for the purpose of taking the census and a traffic survey

RENUMERATION - \$50.00

Application forms may be obtained at the Town Hall and should be completed and returned to the undersigned no later than Monday, January 10, 1972.

D. R. O'Connell,  
Secretary-Treasurer.

## Uniform

Opposition members were urged to support passage of Bill C-176 (National Marketing Legislation) if amended, limiting supply management to poultry, eggs and poultry and egg products.

In telegrams sent to parliamentary leaders, W. D. Lea, president of Uniform, asked that the legislation be passed immediately for those desiring it. Provincial poultry representatives have arrived at a market sharing agreement and require supply management control at a national level to make it effective.

Mr. Lea recommended that the products not immediately requiring national marketing legislation be excluded. Such commodities could be included only by parliamentary amendment at a later date.

Mr. Lea sent the telegram in light of the marketing resolution, which received wide support at the Uniform convention in December.

Bill C-176 was withdrawn late last summer, after several heated debates in the Commons, and is expected to be re-introduced possibly with amendments within the near future.

## Driver education offered to Legal students

The Legal school district, in conjunction with Legal Motors and the Chrysler Corporation of Canada Ltd., is offering Driver Education 10 to high school students who possess at least a learn-

ers permit. The course will be conducted after regular school hours.

Each student is obliged to take 30 hours of classroom instruction, eight hours of actual driving and

twelve hours of in-car driver observation.

Upon successful completion of the course, the student will be awarded two high school credits. This semester, thirteen high school students are taking the course; instructors are Lucienne Rondeau and Robert Holzer.

The course will again be offered in the second semester.

## Special warrant aids disabled

Hon. Jim Foster, Minister of Advanced Education announced Cabinet approval of a special warrant for \$300,000 to continue training of disabled adults.

Due to the success of the program, these additional funds are required to further the education of those now involved in the program; to service the waiting list of 95 persons; plus handle additional applications which are expected early in 1972.

The training of disabled adults in Alberta, in addition to utilizing Alberta adult vocational colleges, NAIT, SAIT, and the University of Alberta, also take advantage of special training centres such as the CNIB in Toronto, and Gallaudet College for the Deaf in Washington, D.C. The intention of the program is to provide our disabled citizens with available educational training. Costs are shared 50 per

cent by the Federal Government.

## M. D. of Sturgeon No. 90

**Assessment Roll Notice**

1972

Notice is hereby given that the Assessment of properties not subject to change for the year 1971 of the said Municipality, made under the Municipal Taxation Act, has been authorized for use in the year 1972 and will be open for inspection throughout the month January 1972, during office hours and that any person who desires to object to the entry of his name or that of any other persons upon the said roll or wishes to object to his or her assessment or any assessment as being too high or too low, must within the said month of January, lodge his or her complaint(s) in writing to the Sturgeon Treasurer of the Municipality. Dated at Morinville, Alberta this 31st day of December 1971.

## Employment training program offered at Olds

Five courses varying in length of duration from 10 to 14 weeks will be offered at the Olds Agricultural and Vocational College starting January 17, 1972.

These courses will include: 1 - Academic Upgrading - 14 weeks; 11 - Service Personnel Develop-

ment - 14 weeks; 111 - Farm Employment Training - 12 weeks; 1V - Custodial Housekeeping (Caretaking) - 12 weeks; V - Ornamental Horticulture - 10 weeks.

The objective of these courses is to increase various skills to enable the participants to qualify for

employment in their chosen field.

To be eligible, applicants must:

- have resided in Alberta for the past 12 months.
- have been out of the regular school system since June 30, 1971.
- be unemployed and actively seeking employment.

No fees are being charged and training allowances will be available to eligible participants.

Application should be made at the Olds College as soon as possible.

For further details contact Olds College, Box 760, Olds.

## Canfarm- an aid to farm planning

CANFARM is a farm record keeping and management system which provides the type of information that today's farmers need for sound decision making and management of their farm.

This system can provide the information required by an irrigation farmer, a feedlot operator, a small diversified farmer and so on. Although the records are somewhat different for each kind of farm, CANFARM can provide the specialized information needed by each.

What type of reports can CANFARM provide? It can provide a monthly cash balance report which shows you exactly where your money is coming from and where it is going. You can then reconcile your records with your bank statement and check your actual cash flow against your projected cash flow for that particular period.

If you have hired labor on your farm, CANFARM can provide a labor payroll record which will show you the amount of wages you paid out to each employee as well as contributions to the Canada Pension Plan, unemployment insurance and the amount of income tax paid by each employee.

CANFARM can also provide a report of your credit situation at the end of each month. This statement shows the amount of money you owe to each creditor and enables you to estimate exactly where you stand credit wise. It can be a real help when making arrangements for credit with your bank manager.

CANFARM provides a tax management report beginning

in the eighth month of the fiscal year. This report shows you your income tax situation. With this information, you can minimize your taxable income in any particular year by making adjustments in your business before the year-end. At the end of the year, you will receive a statement showing your receipts and expenses, your capital cost allowance and your net worth. CANFARM cannot actually file your income tax return, but it can provide you with the information that takes much of the burdensome work out of filing it.

The Canfarm system produces reports on a monthly and yearly basis, and a farmer is able to select only the reports he wishes to receive at the end of each month or on a yearly basis.

What does one have to do to participate in Canfarm?

You fill in a registration form on which you indicate the types of information you are interested in. At this time, a farm management technician will explain the kind of information you will have to submit to get the types of reports you want, and he will tell you how to submit it.

You will be asked at the beginning of the first fiscal year to submit an inventory of your farm. Each month after that, you will be required to submit a record of all your business transactions, including your sales and expenses. Canfarm provides the forms on which you will record this information. To receive the full benefit of the system, you should submit your re-

ceipt and expense information on a monthly basis. It is used to prepare the monthly and year-end reports that you need for making your business decisions.

The Alberta department of agriculture has trained technical staff who are prepared to go out to your farm and explain the Canfarm record and management system and to help you with problems that may occur in recording the required information. Your district agriculturist and regional farm economists will also

help you interpret the reports you get back from Canfarm and explain how you can use this information in managing your farm business and planning for the future.

Where does one enroll in Canfarm? You can enroll through the Alberta department of agriculture, Farm Credit Corporation or a number of private firms. If you would like to enroll through the department of agriculture, contact your district agriculturist, Wallace Klatt at Morinville, ph. 256-3351.

## Meetings to discuss legal aspects of family farming

Time: 1 - 3:30 p.m.

Place: Edmonton Exhibition Youth Bowling (Sports).

A series of meetings on the following dates and topics is being scheduled for February and March 1972.

These are important topics that all farm families should be knowledgeable in regardless of size.

This is your chance to learn more about these topics.

Feb. 2: Farm Business, \*Corporations \*Leases \*Agreements \*Co-ops

Feb. 9: Farm Business, Feb. 16: Royal Commission's Report on Status of Women in Canada - taxation, legal aspects.

Feb. 23: Legal Aspects \*Production contracts \*Expropriations \*Hunting \*Right-of-entry \*Liability and Insurance.

March 1: Wills and Estates - \*Importance of having a will \*Estate planning; taxes, gifts.

March 8: Wills and Estates.

March 15: Taxation \*Income tax - new tax policies \*Corporation tax \*Capital gains.

March 22: Taxation.

Registration fee - \$8 per family (two persons) or per person. Must be submitted before January 21, 1972, to your local DA or DHE office. This fee will cover one FAMILY.

Blinders and copies of all lectures will be available to all who attend.

A luncheon is planned for March 23, 1972.

Sponsored by Grassland Association in co-operation with Alberta Department of Agriculture.

Fully qualified professional persons will be speaking at each session.

Contact your DA or DHE (256-3351) for further details.

The half-pint man bet the strapping 200-pounder he could wheel something in a wheelbarrow across the street and the big man couldn't wheel it back again. "It's a bet," said the muscle man.

The little man picked up the wheelbarrow handles and said: "Okay. Climb in."

## Does it pay to own a car?

By Pat Prymak,  
District Home Economist

The cost of owning and operating a car can be compared to bringing up children. They both cost money and need TLC (tender, loving care).

It is really enlightening to figure out how much a car costs you a month. Obvious expenses include gas and oil costs, car payments, periodic tire changes, tune-ups and repairs as well as the annual license and insurance costs. Too bad there is no "baby bonuses" for cars. Sure would come in handy in emergencies.

COST OF OWNING AND OPERATING A CAR

The following are figures I came across on the cost of owning and operating a automobile. These were prepared in 1968, but costs have risen considerably since then. This estimate is based on a small car valued at \$3,000 and on an annual mileage of 10,000 miles.

Depreciation ..... \$630.00  
Insurance ..... \$ 90.80  
License ..... \$ 16.00  
Gas and Oil ..... \$360.00  
Maintenance ..... \$120.00  
Miscellaneous ..... \$ 15.00

Total ..... \$1,231.80  
per year

There is no allowance for parking. If your car is larger or a more elaborate model, the depreciation costs would be much higher.

Depreciation costs the first year on a car are one-fourth to one-third of its original value. If you must buy the car on time, you must add in the finance costs which are seldom less than 10 per cent per annum. If you are under 25 years of age, insurance costs would be double or more. If a teenager in the family thinks of only the cost of gas and oil when considering owning a car, the above costs should be pointed out to him.

Now, take a good look at your budget. Are you spending more on owning and operating your car(s) than you are paying out in rent for your home? I often think of this when I see a young family, living in an apartment and owning a large, expensive car. The family is living in cramped quarters with no play area for the children while father

sports the latest model.

Often a mother may work out of the home in order to meet the high cost of living. The first purchase is likely a car in order to allow her to go to work and back. The cost of operating a second car will likely take a large chunk out of her earnings. Does the extra earnings cover the costs of a second car?

Why not sit down tonight and figure out what proportion of your income goes into that car. Does the convenience and satisfaction gained justify its cost? Possibly a less elaborate model would permit you and your family to enjoy extras they must now forego.

## Cheese prices jump

Recently the price of cheese has risen 20¢ - 30¢ per pound. Consumers who use a lot of it, whether processed or cheddar, have undoubtedly noticed the price rise and immediately ask "Why?"

There is a strong increased demand for cheese on both the domestic and export market.

In Canada consumption is up 28 per cent and in Alberta it is up four per cent, also Britain is buying Canadian cheese on the open market at an unsubsidized price.

In October, 1971 the production of cheddar cheese in Canada was up 11 per cent and stocks were down four per cent when compared to figures for 1970.

In Alberta three per cent of the milk produced goes into cheese making -- this cheese has a ready market.

The outlook seems to be that there will be a continued demand for cheese by domestic consumers and that prices will remain the same.

--Issued by the District Home Economist's office.

NO SALE - JANUARY 5 or 12 BUSINESS AS USUAL -- JANUARY 19

By Rose Mariel

Rumeo Bolsonnault, in coming president of the Morinville Board of Trade, has announced that the first supper meeting of 1972 at the legion hall has been postponed till Monday, January 10 and that Mr. Ernie Jamison, MLA has been invited to attend as guest speaker. Retiring past president Lou Calder will convene the supper meeting, and all interested individuals in the community who wish to hear our local MLA are cordially invited to get their supper tickets in advance at Calder Agencies. Special invitation to all town councillors, school board members, school teachers, high school students, community work-

## MORINVILLE MEMOS

ers, and rural residents as well as town and business people of Morinville and district.

On Dec. 19 the school band from Ross Sheppard high school of Edmonton, under the direction of George Adams, gave a delightful concert in the Morinville Centre. The 25 member Ross Shep band was in town on the invitation of the Morinville Drum and Bugle band. Due to blizzard conditions locally, the audience was at a minimum, but those who braved the elements to attend certainly got their money's worth. Mr. Adams stated that the group would be pleased to return at East-

er time to play once more to a Morinville audience.

Congratulations to Mr. and Mrs. Lucien Houle who welcomed another son, Timothy Roger recently. Godparents are Mr. and Mrs. Roger Houle, uncle and aunt of the infant. Another brother for Peter, Vincent and Linda.

On November 26 Mr. and Mrs. Michel Hogue welcomed their first son, Patrick Jean. Mr. and Mrs. Jean Hogue of Edmonton, uncle and aunt of the baby are godparents. A brother for Renee.

Winners of the draw made December 23 by the Morinville Ceramic club were Mary Flanigan of Morinville, Rose Blodreau of Vimy and Doyle Hladry also of Morinville. Mrs. Claire Pelletier assumed duties as acting president, January 1st, due to the departure this month of Mrs. Annette Lapointe and family from Morinville.

Guy St. Germain is now chairman of the church council, taking over the duties of Robert Lapointe, who left town last weekend to take up his new duties as district manager of Calgary Power Ltd. office at Hughenden.

Karl Maslyk left after Christmas for Swan Hills where he will take up duties as camp supervisor.

During the holidays many visitors came to stay with relatives or partake in family reunions or socials. Among those whom we had the pleasure of meeting were

Mr. and Mrs. Joe St. Laurent Sr. from Peace River, visitors at the home of their sons, Adelard and Bonnie St. Laurent. Cecile Mitchell also visited with her parents.

Mrs. Philomene Morissette and Mrs. Bernadette Ouellette also spend New Year with their families in Morinville. Rev Sister Germaine Boisvert, also visited at the home of her sister and family. Mrs. Diane Schafers and Joe Mounier from Chateau Sturgeon and Mrs. Sharon Kieser, from Whitehorse, was a visitor at the home of her parents, Mr. and Mrs. Walter Ferguson, after attending the wedding of her cousin, Micheline Perras in Edmonton, prior to Christmas.

Mrs. Bertha Shrum welcomed visiting relatives from Saskatchewan during the holidays. Mr. and Mrs. Norman Tremblay and boys visited relatives and friends in St. Albert and Morinville, on returning from the west coast for Christmas. Rev. Lucien Morissette joined his mother and sister, Rachelle at the home of Mr. and Mrs. Jack McRae for a short visit.

Rev. Lucien Tellier, visited at the home of his parents, Mr. and Mrs. Robert Tellier during the holidays. Mrs. Anne Borgeleau, Mr. and Mrs. Maurice Caelette, Mrs. Suzanne Mercier also visited in Morinville over the holidays.

Taking full advantage of the mild weather, Leonel Theberge on New Year's day took his 1937 four door blue sedan Chevrolet for a spin to Edmonton, picked up his best girl, Elizabeth Call Acheson, and before the afternoon was over the radiant pair announced that they were engaged. Old Betsy never missed a valve stroke during the whole day, riding to and from the city and snugly back to her garage after the big event. Congratulations Gail and Leonel. Let us hope old faithful behaves as well on your wedding day in 1973.

Frank Brannies, resting at home after a long stay in hospital, enjoyed a cheerful

Christmas at home with family and grandchildren. resting in Glenrose Auxiliary Hospital, Cheri Chevigny and Tom Pelletier are in the Sturgeon.

### Local Authorities Board

IN THE MATTER OF "The Municipal Government Act":

AND IN THE MATTER OF "The Administrative Procedures Act":

AND IN THE MATTER OF an application by the Town of St. Albert, Alberta for annexation of certain territory lying adjacent thereto.

TAKE NOTICE that the Town of St. Albert has petitioned for annexation to the Town of the following described territory -

FIRSTLY: All those portions of River Lots Twenty (20) and Twenty-one (21) in the St. Albert Settlement, in the Province of Alberta, which lie north of a line drawn parallel and concentric with and perpendicular and radially distant forty-nine and five tenths (49.5) feet north of the centre line of the Canadian Northern Alberta Railway as shown on Railway Plan 6054 A.O., and all those portions of River Lot Twenty-two (22) in said settlement, lying to the north of the present boundary of the Town of St. Albert in the Province of Alberta, Canada.

SECONDLY: All of Lots Twenty-A (20-A) and Twenty-one-A (21-A) in the St. Albert Settlement, in the Province of Alberta, and all that portion of Lots Twenty-two-A (22-A), twenty-three-A (23-A), twenty-four-A (24-A), twenty-five-A (25-A) and twenty-six-A (26-A) and Parcel E as shown on filed Plan 392 E.O. in said settlement which lies south of a straight line drawn from a point on the easterly limit of the original government road allowance adjoining the east boundary of the northwest quarter of Section Eight (8), Township Fifty-four (54), Range twenty-five (25), west of the Fourth Meridian, said point being Six Hundred (600) feet north of the point of intersection of the said east limit and the south limit of the original government road allowance adjoining the south boundary of the said North West Quarter of Section Eight (8), to a point on the easterly boundary of said Parcel E as shown on filed Plan 392 E.O. two thousand and six hundred (2,600) feet northerly of the north east corner of Block E as shown on filed Plan 2229 R.S. and all that portion of the original government road allowance adjoining the south boundary of the said North West Quarter of Section Eight (8), lying south of a line thirty-three (33) feet perpendicularly distant southerly from and parallel with the south boundary and the production thereof easterly sixty-six (66) feet more or less and lying east of the production north westerly of the westerly boundary of said Lot Twenty-A (20-A) and all those portions of said Lot Twenty-six-A (26-A) and River Lot Twenty-seven (27) subdivided as shown on Subdivision Plan 6843 M.C. and all that portion of the original government road allowance which lies between the south boundaries of said Lots twenty-A (20-A) to twenty-two-A (22-A) and the northerly boundaries of River Lots Twenty (20) to twenty-two (22) and all of the original government road allowance adjoining the westerly boundary of said Lot twenty-three-A (23-A) and lying to the south of said straight line and all the original government road allowance adjoining the southerly boundaries of said Lots twenty-three-A (23-A) to twenty-six-A (26-A) and including the intersections of said road allowances at the south west corner of said lot twenty-three-A (23-A) all in the said settlement.

It may be that you are a party whose rights will be varied or affected by the Board exercising its statutory authority in granting the annexation petition and you are hereby notified that if you wish to make any representation in this regard, you may on or before Thursday, the 20th day of January, 1972, file such written representation with the Board.

In the event that a valid representation is filed as noted the Board will set a date for a public hearing of the matter before making a decision on the application.

If no valid representation is filed with the Board by January 20, 1972, the Board will forthwith proceed to decide the matter of the application without public hearing.

DATED at Edmonton, in the Province of Alberta, this 21st day of December, A.D., 1971.

W. E. ELLIOTT, SECRETARY,
